Description:

Marqués de Urquijo Superlative Rooms is a new concept of ideal rental for people who seek the independence of an apartment, with the comforts and services of a hotel and at the best price. The idea has been imported from New York and London where it is having great success between the executive community and students of MBAs. Marqués de Urquijo Superlative Rooms offers spacious rooms with full en suite bathroom (inside the room), large kitchen and living room TV in common area Internet, TV and Netflix (common areas and all rooms). These services (valued at 250 € per month) are included in the price of the studio / room) and are not optional. The costs of electricity, water, gas, heating and air conditioning are also included in this service fee, so you will not have to face any other expenses. Available from September, reservations are accepted. Minimum stay 9 months (2 months deposit required). Contracts are made at a personal and company level
